ABOUT MYSELF

I am a passionate and experienced WordPress developer with 4 years of expertise in designing and developing dynamic, responsive websites. I specialize in working with popular page builders such as Divi and Elementor. Currently pursuing a BS degree in Software Engineering, I am also skilled in front-end development with strong knowledge of HTML, CSS5, Bootstrap, and JavaScript. I have been providing freelance services on Fiverr for 3 years and am now working with local clients as well. With a strong desire to continually grow in the web development field, I aim to become a professional full-stack web developer in the near future.
